

Where Are They Now?

An Effort to Determine the Status of the Tenure-Track Cohort since 1994

For all scientists officially appointed as tenure-track Investigators, whether through a grandfathering or search process, from 1994 until now, please provide the following information:

Name: _____

IC: _____

Lab/Branch: _____

Tenure-track Start Date: _____

Current information as of: _____

1. Was the Investigator presented to the IC Tenure Committee? Yes No *(If "Yes," go to 1.a. If "No," go to 1.b.)*
 - a. If yes to #1, was the Investigator recommended for tenure by them? Yes No *(If "Yes," go to 2. If "No," go to 3.)*
 - b. If no to #1, what is the candidate's current status (check appropriate case):
 - Still on the tenure track at same IC
 - Removed from the tenure track by the IC
 - Separated from NIH
 1. Where did they go? _____
 2. What position did they move to?

 - Moved to another IC
 1. Which IC? _____
 2. What position did they move to?

 - Accepted another position within the same IC
 1. What position?

2. If yes to #1a, what is the candidate's current status (check appropriate case):
 - In preparation to be presented to the Central Tenure Committee (CTC)
 - Was presented to the CTC
3. If no to #1a, what is the candidate's current status (check appropriate case):

- Separated from NIH
 1. Where did they go? _____
 2. What position did they move to?

- Moved to another IC
 1. Which IC? _____
 2. What position did they move to?

- Accepted another position within the same IC
 1. What position?

4. Please add any additional comments:

***For questions, please contact Drs. Arlyn García-Pérez or Roland Owens at OIR.
Please forward all responses to them at OIR, Building 1, Room 160.***
